EMPLOYERS' REGISTRATION (Canada Wide)

If you are an ESL classroom employer, whether as a private school proprietor, a government educational institution administrator or a non-profit organization leader, we can help you find the best ESL teachers to assist your students with English language acquisition and acculturation.

It is important and fair when teaching ESL to foreign students that students receive the best possible English teaching as a base for further improvement as they use it in English speaking settings, be it for employment or for other professional reasons.

ESL Employers feel that teachers must possess the correct English skills in order to transfer them to their students. A good program is as good as the teachers.

The purpose of our employment service is to register qualified and experienced teachers with good English pronunciation skills, and to advise employers who have registered with us of ESL teachers seeking employment. By registering both employee and employer we are able to introduce both parties mutually, and to do preliminary teachers' screenings.

Registration service for employers costs US\$50.00 per month, per position available, which entitles employers to receive by e-mail, ALL resumes of teachers who have registered with us. We do not interview teachers in person but we encourage them to send you a copy of their resume along with a personal presentation CD so that, by listening to the CD, you can ascertain a teacher's ability to speak in public, her/his confidence level, and her/his accuracy in pronouncing the English language, for teaching purposes.

Should you wish to Register please complete the Employers' 'Registration Form' below & fax to: 416-927-7902, or mail to: Links Canada International Corp., 88 Bloor Street East, Suite 3110 Toronto Ontario M4W 3G9, with a cheque, money order or credit card information payable to Links Canada International Corp.

Thank You.
