## **ESL TEACHERS' EMPLOYMENT REGISTRATION (Canada Wide)**

By registering for employment with [esl-linkscanada.com](http://esl-linkscanada.com), you agree to pay a registration fee of US\$50.00 per month in advance, through credit card, cheque or money order, payable to Links Canada International Corp. Fees are non-refundable. Kindly, print the Registration Form below and fax or mail it to [ESL-LinksCanada.com](http://ESL-LinksCanada.com). Please do not deliver your resume by hand. Only faxed or mailed resumes will be processed. Do not attach certificates or diplomas with your resume. Our registration acceptance will be sent to you by e-mail.

Please be advised that by registering for employment with our firm, [ESL-LinksCanada.com](http://ESL-LinksCanada.com) DOES NOT guarantee that it will be acting as a duly government licenced employment agency, but only as a registration service through which ESL teachers can register as employment seekers, and through which employers can seek and find prospective registered ESL teachers, according to their needs, as outlined in a separate Employers' Registration Agreement. [ESL-LinksCanada.com](http://ESL-LinksCanada.com) promises to inform employers of your desire to be introduced to them and to have an interview with them, however, we do not control whether employers will contact you for an interview. Should you desire proof that we have forwarded your resume and details to employers, we will be happy to furnish you with the details by e-mail, at which time you may continue to deal with employers directly.

We recommend that you read the section on our website regarding ESL-pronunciation TESTING, in order to encourage you to **send along to a prospective employer(s) your own personal English pronunciation CD-** thus clearly showing an employer your English proficiency and pronunciation adequacy, necessary to teach ESL, as well as to maximize your chances for an interview. Just sending a resume does not show an employer how good your English will sound in an ESL classroom situation.

We are here to help you and serve you. We hope that you will take advantage of every opportunity we offer to succeed in finding ESL teaching employment, or in using our log-in program and materials should you decide to offer tutorials to ESL students or become self-employed.

Thank You.
